

# Join the LORE movement and help us carry out our mission !

*In partnership with the Latinos of Real Estate, Inc., 501(c)6 and LORE Cares, Inc., 501(c)3, you will be directly assisting us in carrying out our mission, which is to educate, assist and guide the Latino community in their journey to work, build and invest in real estate.*

The Latinos of Real Estate accomplishes our mission by:

- Educating, advocating, and empowering Hispanic home buyers, sellers and the professionals who assist them
- *Advocating for policy changes that support sustainable Latino homeownership*

Members of our organization work in all segments of the housing industry and are real estate agents, brokers, loan officers, mortgage brokers, title officers, insurance agents, etc. They are from various backgrounds and are not limited to Hispanic/Latino descent. Our Executive Committee, Board of Directors, Advisory and Committee Members include highly successful practitioners, entrepreneurs, and industry leaders. We know that with your partnership we can accomplish our goals and achieve our mission.

*Together we will make a difference in the Latino community.*

Proceeds received from this outing will go towards first time homebuyer-grants and scholarship opportunities for individuals of Latino decent who desire to enter the real estate industry through our 501(c)3 affiliate, LORE Cares, Inc.

*We thank you for your support  
and look forward to welcoming you to the movement !*
